High5it – the app for real football fans

High5it is a unique football app that allows you to show your appreciation of our beautiful game – in a way that gets recognised.

Developed by fans for fans, **High5it** is FREE to download and works in real-time with live match data.

You can **High5** a player and appreciate what they have done – and the player has the ability to view your appreciation.

How does **High5it** work?

- ✓ Add your favourites
- ✓ Follow the action - LIVE!
- ✓ Interact with the action
- ✓ Appreciate the action
- ✓ Get rewarded for your appreciation

High5ing starts when the match begins and ends after the final whistle, you can **High5** (appreciate) as many times as you want during the game.

There are unique live match data feeds – if you can't watch the match, you can always follow it on **High5it!** It will also keep you up-to-date with the latest football news.

The app allows you to debate the game through the interactive chat feature with your **High5it** contacts.

What does **High5it** do for me?

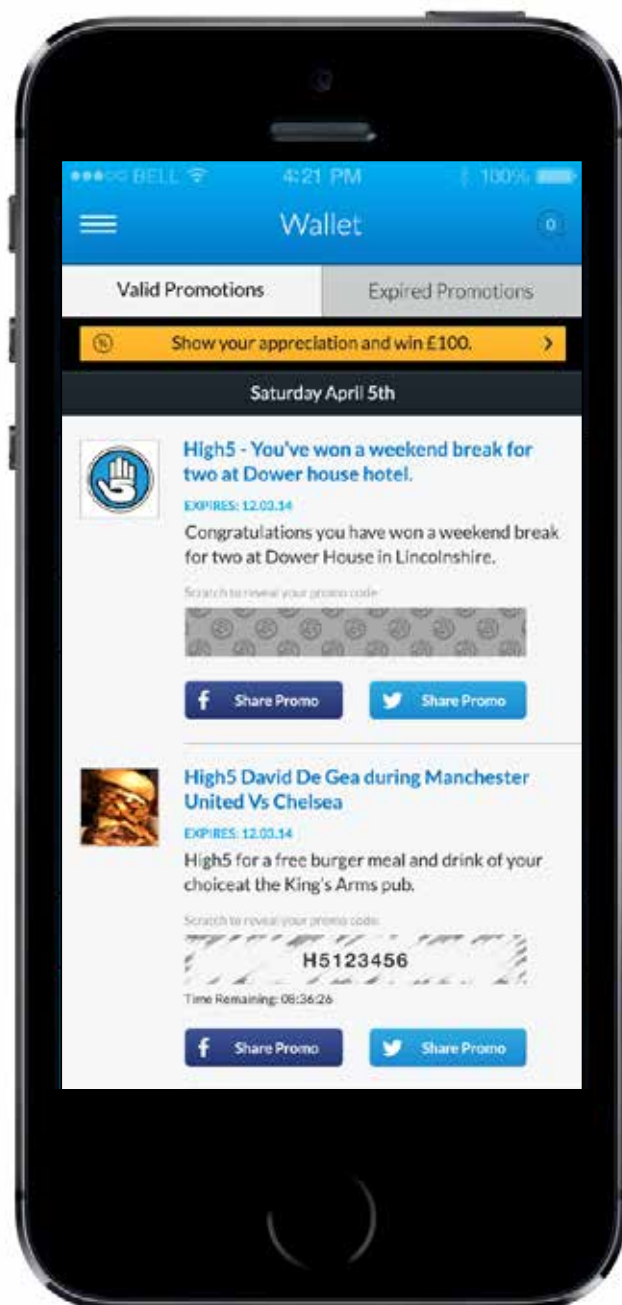

Already endorsed by players in all domestic leagues, **High5it** rewards you for your support.

The app will give you access to lots of special offers and promotions, exclusive to **High5it**.

In addition, each week **High5it** will appreciate its users by awarding 50 of them at random with £50!

"I am very excited to be involved with the High5it app. This will become the must-have app for real football fans in the future."

Ian Evatt,
Professional Footballer
& High5it Ambassador
